Conference & AGM

The only way that we can influence the future direction of our own career structure is to become involved in the debate.

The committee of the CMOA cordially invites all CMOs to the **FIRST ANNUAL GENERAL MEETING** of the Association. This is to be combined with a conference on **CMO EDUCATION**.

The AGM will elect the new committee, review progress to date and outline plans for the coming year.

The conference "**Career Medical Officer Education**" will cover current thoughts on this important topic and means of obtaining education and training in the future. An agenda is enclosed.

It is very important that as many CMOs as possible attend, to meet other CMOs (one of the nicest outcomes), to have their say in a fast changing area of medicine and maybe to relax and get away from it all for a time. In keeping with our "generalist" tendencies, we will be featuring a renowned speaker on a topic of non-medical interest. See the agenda to find out who! The cost is excellent value at \$52.00 for the full day—including lunch and morning and afternoon coffee. So come along and bring as many other CMOs (or sympathisers) as possible.

It will assist us to organise the event if you register and pay in advance (please use the enclosed registration form), but we will be

very happy to see you even if you rock up on the day itself—the vagaries of rosters and shiftwork being well known to us all.

Also enclosed is a nomination form for any who would like to represent CMOs on the committee. All positions are open - those for election are; President, Vice-President, Secretary, Treasurer and three ordinary members. In accordance with the Association's rules, nominations must be received by the Secretary no later than 20th February. If insufficient nominations are received to fill all vacancies on the committee, then those candidates who have been nominated are considered to be elected, and further nominations will be called for at the AGM.

We also need to appoint various officers (such as Education Officer, and Industrial Officers and Public Officer) so even if you don't wish to stand for election we would gratefully appreciate all offers of assistance.

Additionally, as we enter our second year, it is time to ask you all to renew your membership of the CMOA. A renewal form is enclosed.

Organise it now!! See you in Sydney.

*John Egan
President*

Date : Saturday 28th Feb 1998

Time : 0830 - 1700

Venue : Novotel, Brighton-Le-Sands, Sydney

Cost: \$52-00
